12:22:41.82 OK, moms and dads. So you need a night out. Away from the kids. But having trouble finding a sitter? We may have the answer. **Sittercity.com** is a website designed to hook up kid and pet sitters with people who need some help. Joining us now with more is **Sittercity.com** founder and CEO Genevieve Thiers. How did this idea come about? How does **Sittercity** work? What kind of information can you get about the sitters?
